PRESS RELEASE

ARGOSY MPDB face deformable barrier EURO NCAP 2020 protocol

New York, USA, February 17, 2020

ARGOSY is pleased to announce it is now one of the suppliers approved by EURO NCAP for the Mobile Offset progressive Deformable barrier (MPDB) for overlap tests. EURO NCAP will add by March 2020 the Argosy MPDB barrier face to the approved list in the relevant documents TB22 and TB29.

The ARGOSY MPDB barrier can be utilized for type approval, development, pre-NCAP tests and official EURO NCAP tests.

The ARGOSY MPDB Barrier face is currently available. Please contact Argosy for lead-time and price information. Individual Certificate of Conformity is provided with all barriers.
